2019 SPONSORSHIP FORM

MISSION STATEMENT: Downtown on The Bayou was created to foster growth in the local music scene, as well as give MUCH NEEDED financial support to our high school band programs. We are putting our local musicians, young and old, back into the spotlight, showcasing our local talent, and creating a musical culture our community can be proud of. Proceeds from this event will be dispersed among local high school music programs for purchasing and repairing instruments. BY LOCAL, FOR LOCAL! Let's do this TOGETHER!
